

## THE INCREDIBLE YEARS (IYS) TRAINING REQUIREMENTS

Applicants for PCCD grant funding announcements are required to obtain two letters of acknowledgement for their training needs: one from the IYS Developer and one from the EPISCenter. When possible, EPISCenter will coordinate statewide training here in Pennsylvania.

To inquire about Letters of Acknowledgement:

**NEW** Due to COVID-19, the Incredible Years is currently offering virtual trainings that hold up to 15 participants. For more information on these trainings [click here!](#)

**Creating a Training Budget** While Incredible Years training costs are set by the developer, EPIS has created the following table that outlines costs associated with IYS training. This table represents cost(s) associated with IYS trainings in Seattle, WA as well as if a statewide coordination of IYS training would occur here in Pennsylvania.

## Cost for Seattle-Based Trainings

While keeping in mind that every effort will be made to host IYS Trainings here in PA to keep training costs to a minimum, applicants should use the maximum fee for budgeting purposes. Please note that the current cost for IY training in Seattle, WA is \$690 per person. Multiply this cost times the number of facilitators you propose to have trained. Make sure to add in materials, mileage, lodging, and food costs for each attendee. If your agency only has 1-3 group leaders who need training and there is no upcoming PA training in the immediate future, it might be more cost effective to consider a Seattle-based training.
